Participants will take home two placemats of their own design. Proceeds, plus 15% of all instore purchases the day of the event, will go to LA Family Housing, a local organization helping families transition out of homelessness and into permanent homes.

Snacks will be served.

Space is limited, call ahead to reserve your spot.

If you would like to bring something extra special, LAFH asks for donations of paper towels. This small gesture makes a huge difference to families in need.
